TEACHER INFO

Farid Yahya

En. Farid Yahya plays piano, saxophone, & clarinet. He has over 20 years of teaching experience from school music program to tertiary education in music theory, performance, contemporary harmony, arranging for small band to big band and ensembles and individual instruction.

ABOUT THE WORKSHOP

Students will learn how to use Garageband to arrange music for the pipa, erhu and Chinese percussion. Students will also familiarise with the Pentatonic scale and Quantization.

BENEFITS

At the end of the program, students would be able to:

- Be familiar with writing styles for the pipa, erhu and percussions
- Create melodic ideas in the Pentatonic scale
- Use GarageBand to arrange simple Chinese music

EQUIPMENT NEEDED

- Any smart device, laptop or desktop (Windows or Mac)
- GarageBand App
- Speakers and a microphone (Built-in or External Microphone)
- A webcam
- Zoom
